HASTINGS HIGH SCHOOL
Working from Home Guidelines

Subject: KS3 Computing Head of department: Mr Gregson		
	What will my teachers do?	**What do I need to do?**
When will work be set?	Work is set already on Google Classroom, there is currently a lot of work on there to keep you going, which will be added to so that you don't run out of things to do.	You need to login to Google Classroom as the links have been provided there. To login to idea you can click on the Google button to log you in. Once you've clicked the link for Seneca, sign up using your school email address.
How will work be set?	You have been set up with a number of online accounts, linked on Google Classroom. These online websites are tracked and we can track your progress.	Work through the tasks on these links.
What work will be covered until Easter?	- www.idea.org.uk is your ambition project which you can continue working on in order to achieve your Bronze certificate. - www.senecalearning.com is an online KS3 computing course that you can work through, but you will need to click the link on Google classroom to ensure you're linked into the school account. - http://tinyurl.com/pythonwithcode provides online self-marking tutorials to get you started with python programming.	
What do I do if I am stuck or	We will respond as quickly as possible to any questions regarding the work set.	Please email Mr Gregson kgregson1@hastings

have a question?		.leics.sch.uk for further assistance.
What do I do if I don't have access to a computer or the internet?	Paper based materials have been printed for those of you who do not have access to a computer/laptop with internet access.	Please collect paper based materials from Mr Gregson.
How can I stay motivated?	Other students in your class will also be working towards completing their Bronze certificate and the online Seneca course – keep in touch with them and see how they're getting on. You could even arrange a facetime or skype call to help each other out if you need it.
