What do I do if I am stuck or have a question?	Email your teacher or contact them through Google Classroom	Explain to your teacher exactly what it is you need help with - 'I can't do this' doesn't give us much to go on
What do I do if I don't have access to a computer or the internet?	Let your teacher know and we will try and arrange for photocopies of textbook pages to be sent to you. This will depend on our access to the school building so you may need to be patient.	Let us know as soon as possible that internet access is an issue
How can I stay motivated?	Mix up your activities – we'll try and give you a variety of different ways of completing your work	Talk to someone at home about what you are doing – you might be surprised what they know, and if not you can always teach them!
